ORDERING INFORMATION

The UVA Law Softball Invitational is partnering with GoBig Sports for the second year in a row to provide teams with quality jerseys and to raise additional funds for our charitable partner, ReadyKids. GoBig Sports will donate a share of proceeds from each jersey order placed for the Invitational. In turn, each team that orders with GoBig Sports will receive \$50 off their registration fee. UVA Law purchases its jerseys from GoBig Sports, and has relied on Jim Charlton and his team to provide their best quality jerseys for our teams for the past ten years.

GoBig Sports promises quick turnaround, reliable manufacturers, and extensive experience in the industry. Jim will provide mock-ups of jerseys to customers for approval prior to ordering, and can also assist teams with design or recommend different styles for your goals and budget. See the following pages for examples of the three types of jerseys Jim has ordered for past Invitational teams--his good, better, and best jerseys--and what each jersey-type includes for its price.

If you are interested in placing an order with Jim, or further discussing your options, please reach out to Jim Charlton via email at jcharlton@gobig-sports.com or via phone at (540) 718-2874.

LETTERING OPTIONS

Tackle-Twill Sewn Lettering

Tackle-twill lettering is laser-cut twill material. The lettering is single layer, die-cut letters, with sublimated (printed) internal coloring. It is used in professional baseball, football, and hockey jerseys.

Fully Sublimated Lettering

All lettering on the uniform is sublimated (printed). This includes the body, trims, lettering, numbering, logos, and player names. The ink is dyed into the fabric so it does not peel or fade.
